

A man and a woman are walking away from the camera in a grassy field. The man is on the left, wearing a light-colored sweater and dark pants. The woman is on the right, wearing a white puffer jacket and dark pants. They are holding hands. A brown dog is walking to the right of the woman, looking back towards them. The background is a line of trees with autumn foliage in shades of yellow and orange. The sky is clear and blue.

### Professional sale

During the clearance process, we can sell household items with second-hand value, which not only helps offset clearance costs but also generates additional revenue for the estate through content sales and recycling initiatives.
